Is Santa Piloting your Sleigh Tonight?

With Thanksgiving, Hanukah, Christmas and New Year holiday season in full swing, we need to carefully plan any trips to visit grandkids, or take the kids to see Grandma and Grandpa and the return trip to home after eating until we have a weight and balance problem.

Consider the feasibility of the trip based on airplane availability, airplane airworthiness, and pilot qualifications for this trip. Based on pilot ratings, experience for this kind of trip, currency and fitness for flight, i.e. time space consumption of alcohol, hangover and rest; departure en route and destination weather, en route and destination facilities. If all these receive a Green light, GO FOR IT. And enjoy a Merry Christmas and for Many Years to come. Merry Christmas! C.G."Hank" Henry
