Love is in the air!!

(Just like all of us should be)

West Houston Airport isn't just a nice place to take-off and land at (and hangar your plane at, and learn to fly at, and feel comfortable in our beautiful terminal facility at, and buy, sell, or broker your aircraft at, getting the picture?)..... But it also was honored to play a role in a surprise Wedding proposal last month. We are certain our amazing facility had everything to do with her saying "Yes!!" We wish the bride and groom-to-be congratulations and best wishes for lifelong happiness!
